Trilogy Search Completes Search For Amgen

Burlingame, CA-based executive search firm Trilogy Search has placed Ellen St. Aubin as director of business continuity for Amgen. Previously, Ms. St. Aubin served as director of global business continuity at Pfizer. Trilogy also recruited Christopher Samarawickreme as senior director of operational risk management. Prior to joining Amgen, Mr. Samarawickreme served as vice president of risk management at Exxon Mobil. Amgen is the world's largest biotechnology company. Trilogy Search is a retained executive search firm that specializes in recruiting senior-level executives and company directors for nonprofit and for-profit businesses.
